

## Requirement for a 2nd Security Officer For Events Over 100

---

### City Ordinance 2013-15

**SUP Requirement #10.** *A minimum of one security officer shall be required at any event where alcohol is to be served that exceeds 50 guests, with **two [officers] required at an event that exceeds 100 guests**;*

The requirement for a 2<sup>nd</sup> security officer has never complied with by the Applicant and never enforced by the City. Almost every event has had well over 100 guests in attendance. **The**

**Applicant's own Licensee Rental Agreement makes no reference to the City Ordinance Requirement.** (See below)

### Except from "The Union on Eighth, LLC Licensee Rental Agreement"

*"For events over **50 persons** serving alcohol, **one security officer is required** to be hired by the Licensee. This is to be scheduled through The Union on Eighth in conjunction with the Georgetown Police Department at \$40 per hour. Payment to the officer is made at the end of the night by the Licensee by cash or check made payable to the officer."*

At the P&Z Meeting (1/19/16), the owner stated that they have had over 17,000 guests and that his **average event size was 149 guests**, well over the 100 guest requirement to have a 2<sup>nd</sup> security officer.

The requirement for a 2<sup>nd</sup> security officer for events over 100 guests is required for events at the Williamson County Courthouse and other area event venues.
